

COMMUNITY SUPPORTS WAIVER

Version 1.0 (7/1/19)

INTRODUCTION

The Community Supports Waiver, also known as the CS Waiver offers services meant to prevent and/or delay institutionalization of the waiver participants. This waiver reflects the State's commitment to offering viable community options as a alternative to institutional placement.

Their service needs are not allowed to exceed the established individual cost limit set forth in the waiver.

Their service needs are not allowed to exceed the established individual cost limit set forth in the waiver.

INTRODUCTION (CONT'D)

The South Carolina Department of Health and Human Services (SCDHHS) has administrative authority for all waivers including the CS Waiver.

Services in this waiver are provided at the local level through county Disabilities and Special Needs (DSN) Boards and qualified private providers mainly through a traditional service delivery system that is

PERSON CENTERED and GOAL ORIENTED

Note: The Waiver programs are not intended to pay for 24 hour care or needs.

The South Carolina Department of Health and Human Services (SCDHHS) has administrative authority for all waivers including the CS waiver. The South Carolina Department of Disabilities and Special Needs (SCDDSN) performs waiver operations under a Memorandum of Agreement (MOA) with SCDHHS. Services in this waiver are provided at the local level through county Disabilities and Special Needs (DSN) Boards and private providers mainly through a traditional service delivery system that is person centered and goal oriented.

Please note that the Waiver programs are not intended to pay for 24 hour care or needs.

INTRODUCTION (CONT'D)

The CS Waiver serves people who live in the community and meet the Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) level of care criteria.

The CS Waiver serves people who meet ICF/IID level of care criteria, but how is it defined?

POPULATION SERVED (CONT'D)

An intellectual disability is defined as:

A condition in which an individual demonstrates significantly below-average intellectual functioning (a valid IQ of 70 or below), and has concurrent deficits in adaptive functioning in at least two of the following areas:

- | | |
|--|---|
| <input type="checkbox"/> communication | <input type="checkbox"/> self-direction |
| <input type="checkbox"/> self-care | <input type="checkbox"/> functional academic skills |
| <input type="checkbox"/> home living | <input type="checkbox"/> work |
| <input type="checkbox"/> social/interpersonal skills | <input type="checkbox"/> leisure |
| <input type="checkbox"/> use of community resources | <input type="checkbox"/> health and safety |

An intellectual disability is defined as:

A condition in which an individual demonstrates significantly below-average intellectual functioning (a valid IQ of 70 or below), and has concurrent deficits in adaptive functioning in at least two areas: communication, self-care, home living, social/interpersonal skills, use of community resources, self-direction, functional academic skills, work, leisure, health and safety.

POPULATION SERVED (CONT'D)

A related disability is defined as:

Severe, chronic conditions which are found to be closely related to an intellectual disability or which require treatment similar to that required for individuals with an intellectual disability (e.g. cerebral palsy, epilepsy, etc.).

Onset of a related disability must be diagnosed before the age of 22.

Onset of a related disability must be diagnosed before the age of 22.

REQUIREMENTS TO PARTICIPATE

In order to become enrolled in the CS Waiver, a potential enrollee must meet the following requirements:

- ✓ **Be allocated a waiver slot.**
- ✓ **Be given the option of receiving services in his/her home and community or in an institution.**
- ✓ **Be Medicaid enrolled or be eligible to receive South Carolina Medicaid.**
- ✓ **Have needs that can be met by the provision of waiver services.**
- ✓ **Meet ICF/IID Level of Care.**

In order to become enrolled in the CS Waiver, a potential enrollee must meet the following requirements:

- ✓ Be allocated a waiver slot.
- ✓ Be given the option of receiving services in his/her home and community or in an institution. To be enrolled in the waiver, the individual or representative must choose home and community-based services, and this choice must be documented in writing and kept in the participant's waiver case record. This is called "Freedom of Choice".
- ✓ Be Medicaid eligible or be eligible to receive South Carolina Medicaid.
- ✓ Have needs that can be met by the provision of waiver services.
- ✓ Meet ICF/IID Level of Care.

Once a slot is awarded and all requirements and conditions are met, the applicant may be enrolled in the waiver. Upon enrollment, participants are assessed for needed services. Those services are then developed into a Support Plan and waiver budget. Waiver Case Managers then authorize qualified providers to render services according to the plan.

OVERVIEW OF SERVICES

The following services may be funded by Medicaid through South Carolina's CS Waiver based on assessed needs. Assessed needs must not exceed the individual cost limit set annually:

Adult Day Health Care (ADHC) Services

Care furnished to someone age 18 or older 5 or more hours per day for one or more days per week, in an outpatient setting, encompassing both health and social services.

Adult Day Health Care (ADHC) Nursing

Skilled nursing services provided in the Adult Day Health Care (ADHC) center; limited to ostomy care, urinary catheter care, decubitus/wound care, tracheotomy care, tube feedings and nebulizer treatment.

Adult Day Health Care (ADHC) Transportation

Prior-authorized one way or round trip transportation for participants receiving the Adult Day Health Care (ADHC) service who reside within fifteen (15) miles of the selected ADHC center

Support Center

Non-medical care, supervision and assistance provided in a non-institutional, group setting outside of the participant's home to people who because of their disability are unable to care for and supervise themselves.

OVERVIEW OF SERVICES (CONT'D)

Behavior Support Services

Services to assist people who exhibit problem behaviors to teach new appropriate behaviors and improve their quality of life

Environmental Modifications

Physical adaptations to the participant's home which are necessary to ensure the safety of the participant (e.g. installation of ramps and grab-bars).

Personal Care 2 Services

Hands on assistance in the performance of Activities of Daily Living (ADLs) for participants age 21 or older such as assistance with eating, bathing, dressing, toileting, transferring, maintaining continence, and assistance with ambulation.

Behavior Support Services

Services to assist people who exhibit problem behaviors to teach new appropriate behaviors and improve their quality of life

Environmental Modifications

Physical adaptations to the participant's home which are necessary to ensure the safety of the participant (e.g. installation of ramps and grab-bars).

Personal Care 2 Services

Hands on assistance in the performance of Activities of Daily Living (ADLs) for participants age 21 or older such as assistance with eating, bathing, dressing, toileting, transferring, maintaining continence, and assistance with ambulation.

OVERVIEW OF SERVICES (CONT'D)

Personal Care 1 Services

Assistance with instrumental activities of daily living (IADLs) such as light housework, laundry and meal preparation

Personal Emergency Response System (PERS)

An electronic device that enables participants at high risk of institutionalization to secure help in an emergency

limited to those participants who live alone or who are alone in their own home for three or more hours of the day or night and who would otherwise require extensive routine supervision

Private Vehicle Modifications and Consultation

Private Vehicle Modifications are modifications to a privately owned vehicle used to transport the waiver participant and any equipment needed by the participant which makes the vehicle accessible.

Private Vehicle Modifications are modifications to a privately owned vehicle used to transport the waiver participant and any equipment needed by the participant which makes the vehicle accessible.

OVERVIEW OF SERVICES (CONT'D)

Respite Care

Care provided on a short-term basis because of the absence or need for relief of those persons normally providing the care.

Assistive Technology and Appliances and Consultation

A device, an item, piece of equipment, or product system, that is used to increase or improve functional capacities of participants thereby resulting in a decrease or avoidance of need for other waiver services (e.g., personal care, respite, etc.)

Incontinence Supplies

Diapers, underpads, wipes, liners, and disposable gloves provided to participants who are at least twenty-one (21) years old and who are incontinent of bowel and/or bladder according to the established medical criteria.

Respite Care

Care provided on a short-term basis because of the absence or need for relief of those persons normally providing the care.

according to the established medical criteria.

OVERVIEW OF SERVICES (CONT'D)

Waiver Case Management

Services that assist participants in gaining access to needed waiver and other State plan services, as well as medical, social, education and other services, regardless of the funding sources for the services to which access is gained.

Transitional Waiver Case Management

WCM shall only be provided to participants who are residing in a community setting. However, as an exception, WCM may be provided to a participant transitioning to a community setting following an institutional stay (e.g., nursing home, in-patient psychiatric hospital, ICF/IID or PRTF). WCM may be provided for up to 180 days prior to the participant's waiver enrollment date.

Waiver Case Management

Services that assist participants in gaining access to needed waiver and other State plan services, as well as medical, social, education and other services, regardless of the funding sources for the services to which access is gained
