

# COMMUNITY SUPPORTS WAIVER

---

# Introduction

## Community Supports Waiver (CS)

- offers services meant to prevent and/or delay institutionalization of the waiver participants.
- reflects the State's commitment to offering viable community options as an alternative to institutional placement.

*Participant service needs are not allowed to exceed the established individual cost limit set forth in the waiver.*

# Introduction (Cont'd)

The South Carolina Department of Health and Human Services (SCDHHS) has administrative authority for all waivers including the CS Waiver.

Services in this waiver are provided at the local level through county Disabilities and Special Needs (DSN) Boards and qualified private providers mainly through a traditional service delivery system that is

**PERSON CENTERED and GOAL ORIENTED**

**Note: The Waiver programs are not intended to pay for 24- hour care or needs.**

# Introduction (Cont'd)

The CS Waiver serves people who live in the community and meet the Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) level of care criteria.

# Population Served

## Intellectual disability

A condition in which an individual demonstrates significantly below-average intellectual functioning (a valid IQ of 70 or below), and has concurrent deficits in adaptive functioning in at least two of the following areas:

- communication
- self-care
- home living
- social/interpersonal skills
- use of community resources
- self-direction
- functional academic skills
- work
- leisure
- health and safety

# Population Served (Cont'd)

## Related disability

- Severe, chronic conditions which are found to be closely related to an intellectual disability or which require treatment similar to that required for individuals with an intellectual disability (e.g., cerebral palsy, epilepsy, etc.)
- Onset of a related disability must be diagnosed before the age of 22

# Requirements to Participate

In order to become enrolled in the CS Waiver, a potential enrollee must meet the following requirements:

- ✓ **be allocated a waiver slot.**
- ✓ **be given the option of receiving services in his/her home and community or in an institution.**
- ✓ **be Medicaid enrolled or be eligible to receive South Carolina Medicaid.**
- ✓ **have needs that can be met by the provision of waiver services.**
- ✓ **meet ICF/IID Level of Care.**

# Overview of Services

The following services may be funded by Medicaid through South Carolina's CS Waiver based on assessed needs. Assessed needs must not exceed the individual cost limit set annually:

## Adult Day Health Care (ADHC) Services

Care furnished to someone age 18 or older 5 or more hours per day for one or more days per week, in an outpatient setting, encompassing both health and social services

## Adult Day Health Care (ADHC) Nursing

Skilled nursing services provided in the Adult Day Health Care (ADHC) center; limited to ostomy care, urinary catheter care, decubitus/wound care, tracheotomy care, tube feedings and nebulizer treatment

# Overview of Services (Cont'd)

## In-Home Supports Services

Assistance with activities of daily living and personal care for those participants who are able to self-direct their care either directly or through a responsible party

## Career Preparation Services

Time-limited and aimed at preparing individuals for competitive employment. These services can include experiences and exposure to careers and teach such concepts as attendance, task completion, problem solving

## Community Services

Services aimed at developing one's awareness of and participation in the community through exposure to and experiences in the community

# Overview of Services (Cont'd)

## Day Activity

Activities and services provided to enable participants to achieve, maintain, improve or decelerate the loss of personal care, social or adaptive skills

## Employment Services

Intensive, on-going supports for participants for whom competitive employment at or above minimum wage is unlikely absent the provision of supports

## Support Center

Non-medical care, supervision and assistance provided in a non-institutional, group setting outside of the participant's home to people who because of their disability are unable to care for and supervise themselves

# Overview of Services (Cont'd)

## Behavior Support Services

Services to assist people who exhibit problem behaviors to teach new appropriate behaviors and improve their quality of life

## Environmental Modifications

Physical adaptations to the participant's home which are necessary to ensure the safety of the participant (e.g., installation of ramps and grab - bars)

## Personal Care 2 Services

Hands on assistance in the performance of Activities of Daily Living (ADLs) for participants aged 21 or older such as assistance with eating, bathing, dressing, toileting, transferring, maintaining continence, and assistance with ambulation

# Overview of Services (Cont'd)

## Personal Care 1 Services

Assistance with instrumental activities of daily living (IADLs) such as light housework, laundry and meal preparation

## Personal Emergency Response System (PERS)

An electronic device that enables participants at high risk of institutionalization to secure help in an emergency

*limited to those participants who live alone or who are alone in their own home for three or more hours of the day or night and who would otherwise require extensive routine supervision*

## Private Vehicle Modifications and Consultation

Private Vehicle Modifications are modifications to a privately owned vehicle used to transport the waiver participant and any equipment needed by the participant which makes the vehicle accessible

# Overview of Services (Cont'd)

## Respite Care

Care provided on a short - term basis because of the absence or need for relief of those persons normally providing the care

## Assistive Technology and Appliances and Consultation

A device, an item, piece of equipment, or product system, that is used to increase or improve functional capacities of participants thereby resulting in a decrease or avoidance of need for other waiver services (e.g., personal care, respite, etc.)

## Incontinence Supplies

Diapers, underpads, wipes, liners, and disposable gloves provided to participants who are at least twenty-one (21) years old and who are incontinent of bowel and/or bladder according to the established medical criteria

# Overview of Services (Cont'd)

## Waiver Case Management

Services that assist participants in gaining access to needed waiver and other State plan services, as well as medical, social, education and other services, regardless of the funding sources for the services to which access is gained

## Transitional Waiver Case Management

WCM shall only be provided to participants who are residing in a community setting. However, as an exception, WCM may be provided to a participant transitioning to a community setting following an institutional stay (e.g., nursing home, in-patient psychiatric hospital, ICF/IID or PRTF). WCM may be provided for up to 180 days prior to the participant's waiver enrollment date.

# CS Waiver Cost Cap

The purpose of this waiver is to offer services that will prevent and/or delay institutionalization to people with intellectual disability and/or related disabilities **whose waiver service needs will not exceed a predetermined amount per year.**

The yearly amount may be adjusted in future years.

# Waiting List Management

All applicants will be enrolled in the CS Waiver based on earliest referral date.

A slot has been reserved for the following applicants. They will be given priority and may be enrolled in the CS Waiver ***without being placed on a waiting list:***

- Those individuals currently receiving DDSN- funded Day Services
- Those individuals who are transferring from the Intellectual Disability/Related Disabilities Waiver.

# Services, Policies and Procedures

---

All waiver services, policies and procedures are housed on the SCDDSN website ([www.scddsn.gov](http://www.scddsn.gov)) and can be accessed when needed.
